Objective

Do you want the Board to listen to you?

- Learn from actual board members how to convey risk information in the boardroom.
- Discover practical techniques and strategies to get your message across at the highest level.
- Using a panel discussion, a case study and role play led by Qualified Risk Directors® this hands-on workshop will give you the experience to handle your next Board encounter.

Key takeaways

*Getting your message
across in the boardroom*

• Key takeaways (Content):

- ❑ Know your (Board) audience beforehand.
- ❑ Connect the dots for the Board.
- ❑ Think through possible pushback scenarios or additional questions you may be asked.
- ❑ Educate your board.

Key takeaways (Delivery):

- ❑ Help Board members to focus on the “so what”.
- ❑ Be mindful of how you present your message.
- ❑ Craft a more interactive and stunning slide deck.

Help the Board make risk-informed decisions
